Subject: Call for participation in National Conference on "Emerging Trends in Science and Technology"

Dear Sir/Madam,

In our quest to promote excellence and drive the change we wish to see, we find it fitting to celebrate this spirit by hosting a one day National Conference on the theme "**Emerging Trends in Science and Technology**" on 29th April 2017 at Amrapali Institute of Technology and Sciences.

The Conference aims to bring together leading Academicians, Industrialists, Research Scholars and aims to achieve the following objectives

- To discuss the ongoing researches in the field of Science and Technology.
- To bridge the gap between the Academia and Industry.
- To provide a platform to the young Scientists and Technocrats to share their Innovations with Leading Academicians and Industry Experts.
- Building equitable and supportive research partnerships with the Industry

We have a great pleasure to invite you to present one or more papers on any of the subjects scheduled in accordance with the instructions in the attached conference brochure and would request to encourage the faculty members, research scholars and students of your esteemed college to participate & contribute in this conference.

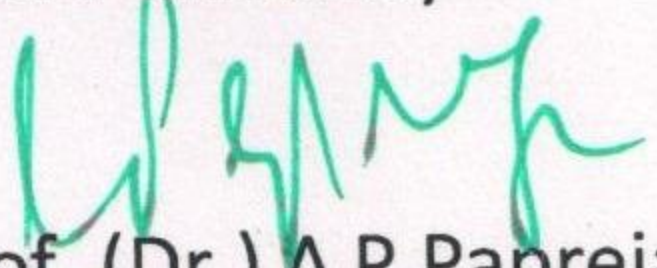

Submissions must be made on-line through the conference website www.amrapali.ac.in/conference or offline by post to the institute address as mentioned above by 5th April, 2017. The authors are requested to submit full papers according to proceeding format attached.

We would like to thank you in advance for your scientific contribution to National conference on "Emerging Trends in Science and Technology" and would appreciate if you could give the largest diffusion to this invitation.
