Vice Chancellor's Message on New Year - 2025

Dear Members of the UTU family,

Warm greetings and best wishes for a happy, healthy, and prosperous New Year 2025 to you and your family.

As we embark on the new year after the completion of 2024, it is time to reminisce about and celebrate the remarkable achievements of the past year and acknowledge the collective efforts of the UTU community towards the goal of **excellence with accountability**. It is with great satisfaction that I witness the positive impact of the changes we have made to improve transparency and accountability in our academic procedures. These reforms not only fortify our processes but also elevate the perception of our university. The smooth functioning of all academic programs as per choice-based credit system, maintaining

the academic calendar, starting of new programs, capacity enhancement in existing programs, streamlined single window admissions, end-to-end digitalization comprising of affiliation, admission, enrolment, registration, attendance management, accountable examination conduction & management, on-screen evaluation, mandatory disclosure of evaluated answer books to students before results, stakeholder feedback system, etc. has been possible due to the wholehearted participation of all functionaries in UTU ecosystem. The overall impact of the transformations envisaged two years back has started fructifying in the form of a sustained increase in student enrolment compared to previous academic sessions.

Indisputably, moving forward with comprehensive student development while maintaining high academic and ethical standards is challenging. However, UTU's dedicated faculty and staff will help produce professionals with essential competencies and modern skills in communication, collaboration, creativity, and critical thinking. With quality-focused, accountable governance and academic systems in place, the institutions can create dynamic learning environments by 2025. Given current challenges, they must emphasize research and innovation culture, and endeavour for best teaching outcomes and excellence in the education system.

At the outset of 2025, I urge all the teachers, students, officers, alumni, parents, employers, and management to take keen interest in strengthening the value-based technical & professional education system incorporating futuristic requirements for the overall good of the society.

Let us unite in our pursuit of excellence with a strong emphasis on accountability and elevate the Veer Madho Singh Bhandari Uttarakhand Technical University to even greater heights in the year 2025.

With Best Wishes!

Prof.(Dr.) Onkar Singh
Vice Chancellor
Veer Madho Singh Bhandari Uttarakhand Technical University

UTU Alumni Awards

General: UTU Alumni Association has instituted the following awards for acknowledging the contributions of alumnus/a and encouraging the other alumni and students. The criteria for different awards detailed below shall be based on the demonstration of the distinguished contribution in the field(s) of engineering, technology, education, research & development, public life, services, etc. as deemed suitable by the Screening Committee nominated by the Executive Committee, however, the final approval about the conferment of the award in the forthcoming Alumni Meet shall be done by the Vice Chancellor of Veer Madho Singh Bhandari Uttarakhand Technical University (VMSBUTU). The UTU Alumni Association shall be issuing a call for the nominations to be accepted round the year, however, the nominations received 15 days before the date of conferment shall be considered by the Screening Committee for the respective year. The nominations received after the due date shall be considered for the awards next year. The awards shall be conferred in the Annual UTU Alumni Meet to be held every year. The Annual UTU Alumni Meet shall be organized by the UTU Alumni Association under the aegis of VMSBUTU, Dehradun at the mutually agreed place and date(s). Each award shall include an Award Certificate issued under the signature of the Vice Chancellor on the unanimous recommendation of the Executive Committee of UTU Alumni Association and Registrar of the University.

1. **UTU Young Alumni Award:** To be awarded to an alumnus/a who received one or more graduate or undergraduate degree(s) from Veer Madho Singh Bhandari Uttarakhand Technical University (Formerly Uttarakhand Technical University), Dehradun at least 10 years before the year in which nomination is being considered for the award. The nominee must be 35 years old or younger as of December 31 of the year nominated and must have demonstrated exemplary professional achievement and/or demonstrated service to his/her community, the public or humanity rooted in VMSBUTU education. These awards will be a maximum of five in number and shall not be more than 1 in a particular category. The distinct categories are,
 - a) Engineering and Technology
 - b) Management
 - c) Pharmacy
 - d) Law
 - e) Hotel Management

2. **UTU Alumni Achievement Award:** To be awarded to an alumnus/a who received one or more graduate or undergraduate degree(s) from Veer Madho Singh Bhandari Uttarakhand Technical University (Formerly Uttarakhand Technical University), Dehradun within the last 10 years for his/her exceptional professional or vocational accomplishment. These awards will be a maximum of five in number and shall not be more than 1 in a particular category. The distinct categories are,
 - a) Engineering and Technology
 - b) Management
 - c) Pharmacy
 - d) Law
 - e) Hotel Management

3. **UTU Alumni Service Award:** To be awarded to an alumnus/a who received one or more graduate or undergraduate degree(s) from Veer Madho Singh Bhandari Uttarakhand Technical University (Formerly Uttarakhand Technical University), Dehradun within the last 10 years for volunteer service to the University or any of its associated Institutions/Organizations. This award does not consider volunteer service to non-VMSBUTU Institutions/Organizations. Similarly, VMSBUTU employees and alumni having business relationships with the University are not eligible based on their employment duties or business services. These awards will be a maximum of five in number and shall not be more than 1 in a particular category. The distinct categories are,
 - a) Engineering and Technology
 - b) Management
 - c) Pharmacy
 - d) Law
 - e) Hotel management
