**SPECIAL DRIVE FOR ANNUAL MEMBERSHIP OF CENTRE FOR
JOINT WARFARE STUDIES (CENJOWS) FOR COLLEGE STUDENTS**

Dear Sir,

1. CENJOWS, raised at the initiative of Ministry of Defence (MoD) on 27 Aug 04 and registered under 'The Societies Registration Act 1860', is a tri-service autonomous think tank. The Centre is aimed at promoting integration and Jointness as a Synergistic Enabler of National Power and providing policy alternatives through Research and Debates. The Centre regularly publishes a variety of papers and organizes round table discussions, webinars, seminars and other events
2. The Centre has, recently, launched a special drive for its annual membership at a nominal fee of Rs.500/- (Rupees Five Hundred only) for College Students. The membership form is accessible under the 'Work for Us' section of its website in open domain. Applicants can complete the process by filling up the form, submitting it online, and making the payment. Upon successful registration, members will receive soft copies of Centre's latest publications through email.
3. This initiative by the Centre would provide the participants with deep insights into matters of strategic importance, which may greatly contribute to their professional and academic developments besides granting them access to valuable academic resources and enhance their understanding of critical defence and strategic matters.
4. May I request you to publicise the above information amongst students of your eminent University for wider reach.
