

Veer Madho Singh Bhandari Uttarakhand Technical University, Dehradun successfully organized a Workshop on Job Readiness in association with Pune Institute of Business Management (PIBM).

The workshop focused on enhancing students' professional preparedness through insightful sessions on Resume Building, LinkedIn Profiling, GD & PI Skills, Business Communication and MS Excel aimed at strengthening employability and career development skills.

Students from 3rd and 4th Year of Women Institute of Technology (WIT), 3rd Year of Faculty of Technology (FOT), 1st & 2nd Year of Faculty of Management (FOM), and 3rd year of Bachelor's and 1st year of Master's of Faculty of Pharmacy (FOP) actively participated in the workshop and benefitted from the expert guidance and interactive sessions.

The University remains committed to fostering industry-oriented learning and preparing students for emerging professional opportunities.
