

VMSB Uttarakhand Technical University: A Harbinger of Sustainable Development

Veer Madho Singh Bhandari Uttarakhand Technical University erstwhile Uttarakhand Technical University (UTU) has a strong focus on the sustainable development as a cross cutting theme in all of its activities. The aim is to orient the education & research activities of students and teachers in the University/Institutions towards sustainable development on ecological, social, economic, and cultural accounts.

All institutions in the ambit of University have been mandated to identify one or more of sustainable development goals (SDGs) prescribed by United Nations as key theme(s) for contributing their bit for a sustainable future. The Institutions are supposed to undertake student / faculty projects/ product development, and hold seminars / workshops / conferences / competitive events like debates, poster making, quizzes, etc. on the key theme(s) i.e. the chosen goals amongst the Sustainable Development Goals for contributing their bit in accomplishment of SDGs by 2030. These initiatives can also be showcased by the Institutions as the best practices carried out by them. The details of the SDGs chosen by different Institutions are as under.

UN Sustainable Development Goals (SDGs)-
