URGENT RDC NOTICE FOR ALL REGISTERED PHD SCHOLARS

This is to inform all registered PhD Scholars of the University that the mandatory registration in the UMS portal is required and has been communicated many times till date. However it is found that only 33 students have completed their registration in the online UMS portal. The University is not able to send the previous RDC comments due to non registration in the UMS portal.

The next RDC is proposed to be held in the first week of August 2024. Again it is directed to all the scholars to complete the registration process within 15 days, so that the RDC comments can be communicated at the earliest. No scholars will be allowed to participate in the RDC without completion of the registration on UMS portal. The University will not be responsible for non participation of the scholars in the RDC due to non registration on the UMS portal.
